

AGM of 11<sup>th</sup> April 2010.

Publishing Sanstha Samachar etc on our website [www.navnat.com](http://www.navnat.com) is very cost effective in view of the increasing costs and meeting deadlines for Darpan.

It was indeed very heartening to see that overwhelming members have approved the minutes of AGM2009 and EGM of 2009 published on web as read. Not reading the AGM, EGM minutes and Secretary's report at the meeting saved considerable amount of time. This extra time allowed our members to ask more questions.
