Dear Members of the Navnat Vanik Association Community,

It is a pleasure to be working so closely with the Navnat Vanik Association and I'd like to take this opportunity to give praise to Mr Jaswant Doshi and Bachoolal Mehta for his dedication and determination to bring cricket to the Navnat community over this summer. Jaswant has been working closely with myself with a long term vision that Navnat Centre will be recognised with an ECB clubmark forming Navnat Cricket Club, enabling all that play cricket to do so in leagues as well as access for talent to access performance pathways through Middlesex County cricket.

I have been speaking to Jaswant about how many ladies have come forward and helped in the sessions as Navnat Centre is keen to promote our Dream Big Desi Women programme, inspiring more South Asian females into the game. You can read more about our programme on our website [www.ecb.co.uk/dreambig](http://www.ecb.co.uk/dreambig)

All ladies that get involved will have access to all the perks and benefits our programme has to offer starting with our FREE modest clothing T-shirt, including funding for further development courses, as well as access to our 'money can't buy experiences' such as trips to cricket grounds or 'meet the players' experiences to name a few.

It's great to hear that some of you have been involved already. In order to register and take the opportunity to access the benefits and rewards of our programme, please could I ask all ladies (mum's) that have been involved to complete the 2 separate mandatory forms below.

Form 1: [England and Wales Cricket Board \(ECB\) - The Official Website of the ECB](http://www.ecb.co.uk)

Form 2: <https://forms.office.com/r/S2DchBAG9P>

On completion, please do email me to confirm the form-filling formality has completed and let me know what size t-shirt you require (i.e Medium & 12). I will order this and bring this along when I come to visit one of the sessions.

If you have any questions, please feel free to reach out to me.

Kind Regards  
Sangy
